

OPERATION WALK

OPERATION WALK

LOS ANGELES

JANUARY 2021

REMEMBERING DR. LAWRENCE DORR

On behalf of the Operation Walk Team and the Dorr family, I would like to thank our patients, friends, family and colleagues for the outpouring of sympathy, the kind words and fond memories of our beloved Dr. Larry Dorr. Hearing from you is helping to ease the pain of his loss.

Our hurt is still fresh. We are working on reaching out to each of you in gratitude. In our grief, it is hard to find words.

Please reflect on the goodness that Dr. Dorr brought to the world. In his honor, be kind and help others. Our next issue of the newsletter will update you on Operation Walk Los Angeles and how we are moving ahead to carry on his legacy.

-Jeri Ward

Executive Director
of Operation Walk Los Angeles
